Re: HQ-2019-00846-F

Dear Ms. Crose:

This is an interim response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested:

Memorandums, internal investigative documents, any written or recorded data about the 1983 hack of Los Alamos National Labs by the '414' hacking group. Please conduct this search between the years of 1982 and 1997. Please also find attached documentation which references the exploitation activity for more details on this request.

Any documents that may exist at DOE that are responsive to your request are under the jurisdiction of the National Nuclear Security Administration (NNSA). For this reason, I have sent the request to Mr. John Weckerle, FOIA officer at that location, to conduct a search of its files and provide a response directly to you.

If you have any questions about the processing of the request, please contact Mr. John Weckerle at U.S. Department of Energy – NNSA Albuquerque Complex, Office of General Counsel, FOIA/PA, P.O. Box 5400, Albuquerque, NM 87185. He can also be reached at (866) 747-5994.

You may contact DOE's FOIA Public Liaison, Alexander Morris, FOIA Officer, Office of Public Information, at (202) 586-5955, or by mail at MA-46/Forrestal Building 1000 Independence Avenue, S.W. Washington, D.C. 20585, for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at 1-(877) 684-6448; or facsimile at (202) 741-5769.

This is the final response you will receive about your request from this office. You may contact Mr. Jeffrey Crile, of my staff, at (202) 586-6097 with any questions about this letter.

I appreciate the opportunity to assist you with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alex Morris', with a long, sweeping horizontal line extending to the right.
